PROFILE

A highly motivated and detail-oriented junior Front-End Developer specializing in building dynamic, user-friendly web applications using React.js. Proficient in modern JavaScript frameworks and libraries, with a passion for clean code, responsive design, and delivering seamless user experiences. Skilled in translating complex UI/UX designs into efficient, reusable components while optimizing performance. Adept at collaborating in agile teams, continuously learning new technologies, and committed to maintaining the highest standards of front-end development.

PROFESSIONAL EXPERIENCE

React.js web dev

ITWORX, intern (2023/2024)

- Developed and maintained responsive, user-friendly web applications using React.js, ensuring seamless performance across different devices and browsers.
- Collaborated with remote teams, including designers and backend developers, through virtual meetings and project management tools
- Implemented state management solutions using Redux and Context API to manage complex application state efficiently.
- Optimized front-end performance through code-splitting, lazy loading, and React's useMemo and useCallback hooks.
- Participated in code reviews and provided constructive feedback to maintain high coding standards and best practices.
- Worked closely with clients to gather requirements, provide progress updates, and deliver high-quality results within tight deadlines.

SKILLS

React.js

(including Hooks, Context API, functional components)

JavaScript (ES6+)

(including async/await, destructuring, modules)

State Management

(Redux)

React Router

(for navigation and routing)

UI & Styling:

- Tailwind/Bootstrap CSS (for utility-first design)
- component library (*Daisy UI,Material UI,*)
- Responsive design (Flexbox, CSS Grid, Media Queries)
- CSS/SCSS and CSS-in-JS (Styled-Components, Emotion)

Frontend Tools & Frameworks:

- Next.js
- Restful APIs
- Version control (Git/GitHub)

SOFT SKILLS

- Problem-Solving
- Collaboration
- Attention to Detail
- Adaptability
- Communication
- Time Management
- Creativity
- Empathy
- Critical Thinking
- Continuous Learning
